**SUBJECT:**

DOCKET NO. 2010-173-E - Rulemaking Regarding Regulations 103-331 and 103-336 (Current Utility Practice and Order No. 2009-770) - Discuss this Matter with the Commission.

**COMMISSION ACTION:**

Move that the written report that is required under Section 1-23-111 of the South Carolina Code be issued with regard to proposed changes to Regulations 103-331 and 103-336. Specifically, key proposed changes to Regulation 103-331 delete references to "thirty-day" arrears to reflect current billing practices of electric utilities and allow an electrical utility to require a deposit from a non-residential customer when such customer or its parent company is experiencing financial difficulties. With respect to Regulation 103-336, proposed changes delete references to "thirty-day" arrears to reflect current billing practices of electrical utilities and state an electrical utility is not required to refund a deposit if a non-residential customer or its parent company is experiencing financial difficulties. Move that the modifications to Regulations 103-331 and 103-336 proposed by the Office of Regulatory Staff, Duke Energy Carolinas, Progress Energy Carolinas, and South Carolina Electric and Gas Company in a letter dated April 1, 2010, be adopted. Further, move that the report find that there is a need for the changes as proposed at the October 26, 2010, hearing by the Commission Staff as modified by comments of the Office of Regulatory Staff, Duke Energy Carolinas, Progress Energy Carolinas, and South Carolina Electric and Gas Company and that the changes are reasonable. Finally, move that the report be issued and the regulations, as modified above, be declared promulgated by this Commission and then submitted to the General Assembly for approval.
